Fire Safety Workshop

Saturday, January 20, 2024

9:30 - 11:30 AM

**Broadway Cove Meeting Room
850 Front Street**

Join your neighbors for a free workshop about fire safety, presented by the San Francisco Fire Department's Community Outreach and Education program. Learn about reducing the risk of fires, and preserving life and property.

At this session, you'll learn about:

- What are the main causes of fires in homes
- How to create an evacuation plan and hold an exit drill
- What to do if you are trapped in a fire
- Using smoke and carbon monoxide alarms
- How to use a fire extinguisher - including a live demonstration
- How to become a member of the Neighborhood Emergency Response Team
